Projects in certain regions of the country have been put in chronological order from newest to oldest. Equipping of some facilities has been divided into stages. That is why they have multiple implementation dates.

In case of the desire to establish direct contact with any of our previous Clients, please let us know. We will gladly provide you with detailed address data of the object and make it easier to contact with the Investor. We recommend you to visit as well new and slightly older investments undertaken in collaboration with Faber. Good condition of furniture after years of use is the best recommendation of our service quality and durability of technical solutions applied.
